

Amanda Taylor

Senior Financial Analyst

New York

ataylor@pomlaw.com

As a senior member of Pomerantz’s Financial Analysis team, Amanda Taylor evaluates potential exposures and losses that may be attributable to securities fraud for both institutional and retail clients. She is also a member of Pomerantz’s New Case Team tasked with monitoring, researching, and assessing potential violations of federal securities laws.

Prior to joining Pomerantz, Amanda worked in economic consulting for securities litigation. She earned a Bachelor’s degree in Mathematics and Economics from Vanderbilt University.
